Html | CSS| Context API

Nodejs / ExpressJs

Git | Github | Azure  
Communication | Problem Solving

Familiar in  
Core Java | Selenium | Python |  
Cucumber

### ACHIEVEMENTS & AWARDS

---

*Won Globallogic Machine learning  
Hackathon Conducted for freshers*

*Won GlobalLogic awards for Best-  
Employee of the month and week for  
giving huge contribution in automating  
Web Ui Testing*

### PERSONAL PROJECTS

---

#### *Eye in the Sky*

Eye in the sky is one kind of project that leverages Machine Learning and Video analysis. The goal is to detect the presence of violence in public with the use of CNN and RNN

Machine Learning | CNN | RNN

#### *Personal Portfolio Websites*

##### Portfolio 1 Portfolio 2

React | Html | Css | Firebase | Tailwind CSS

### LINKS

---

GitHub | LinkedIn | HackerRank

### CERTIFICATES & TRAINING

---

*Hackerrank Certificate for React, Python  
JavaScript*

*30 Day Online Internship provided  
By Pantech Solution Pvt Ltd in Machine  
Learning and AI*

### LANGUAGES

---

English Malayalam Hindi

### INTEREST & ACTIVITIES

---

Travel | Bike Riding | Technology |  
Football | Photography
